### ABOUT

I am a New Yorker living in Los Angeles; I graduated the School of Dramatic Arts majoring in theater and have been working as an actress in Film/TV, theater and commercials. I use my social media platform to share body positivity, skincare tips, behind the scenes looks on projects I work on, some of my favorite fashion trends and the most magical locations I've encountered in my wanderlust adventures.

As a little girl, I've always dreamt of modeling for beauty brands and hanging in cosmetic stores like Sephora & Ulta beauty: I've been fortunate enough to be the face of many beauty campaigns including "Dose of Colors," "BH Cosmetics," "Girl Actik," "NXN Beauty," "LCK Haircare" and many more. Some of my hobbies include writing poetry (I want to publish a book one day), painting, dancing, hiking, yoga, cooking, (eating very spicy foods) traveling, learning new languages and volunteering around communities in LA <3

My parents have been my inspiration in following my passions and truly instilled a "you can do anything you set your mind to attitude" from an early age. They immigrated to the United States from Ukraine to give their children a chance at pursuing the American dream, and I will be forever grateful for their sacrifices so my siblings and I can live a life we've imagined.
