## ABOUT

I am a model and actress born and raised in Southern California. I currently live in Orange County with my photographer husband, our one year old son Ryder and our sheltie Leon. I use my social platform to share my adventures with my family, document our travels and express my love of fashion and skincare.

I began modeling after graduating with a BA in Fashion Merchandising and began studying acting under Anthony Meindl, Lesly Kahn and Joseph Pearlman. From 2012 to 2016 I published a fashion blog titled 'On the Way Out' as an outlet to convey my love of individuality and self-expression through one's personal style.

My clients have included Casamigos, Target, Smirnoff, Ray Ban, Virgin Mobile and Sailor Jerry. I have collaborated with many amazing brands on my social that include Free People, For Love and Lemons, and Lack of Color.

Some of my hobbies are traveling, pilates, yoga, and skateboarding, and I am currently learning how to surf and play the mandolin and guitar. I am inspired by so many things, films, music, fashion icons of the 60's, different decades, my favorite authors and artists, and the unique moments I experience while traveling.
